ATMOS

Atmos distills the physical landscape into its simplest elements: color, shape, and texture. Using abstract painting techniques, gestural yet intentional placement of pigment evokes vast stretches of land and natural scenery. Horizon lines serve as literal through-lines across the collection, grounding these abstract interpretations of space. Each design in Atmos was hand painted by our creative team and developed into repeating murals for the wall.

PRODUCTION

Original paintings are brought to life by our skilled in-house production team. Atmos is printed to order on our eco-friendly Laguna substrate. Laguna is a Type II, PVC-free material made with 31% post-consumer recycled content and features a subtle canvas emboss.

ALTER SCALE

Digital designs can be scaled up or down to fit your space and aesthetic preferences.

CUSTOM MATERIAL

Any of our in-stock substrates can be used with our digital designs. Have your own material? We can sample on that, too.

CUSTOM COLOR

From subtle to drastic, our digital designs can be completely recolored. Send us your color preference and we'll apply it.

CUSTOM DESIGN

Our designers can alter digital designs to create a unique wallcovering for your project.
