

PHANTASM

astek

PHANTASM

Using the cyanotype printing technique, ethereal compositions are captured using sunlight, shadow, and water. Our designers pushed the medium to create spectral images and textures, at times figurative and at times unknowable. The resulting Phantasm collection is a series of 20 evocative murals full of gorgeous handmade details in rich shades of cyan blue.

Phantasm is a NYCxDESIGN Honoree (2021).

PRODUCTION

Rich color and photographic details are brought to life by our skilled in-house production team. Each Phantasm mural is digitally printed to order to the client's specifications. Advanced technology allows us to print on a wide range of substrates, match subtle colors with extreme precision, and print at high resolutions and speeds without sacrificing quality.

CUSTOM DESIGN

Digital designs can be scaled up or down to fit your space and aesthetic preferences.

Any of our in-stock substrates can be used with our digital designs. Have your own material? We can sample on that, too.

From subtle to drastic, our digital designs can be completely recolored. Send us your color preference and we'll apply it.

Our designers can alter digital designs to create a unique wallcovering for your project.
